

MCoA Coach Awards 2018

The MCoA coach awards are a fantastic way of saying thank you to people who previously have gone un-thanked and to recognise and reward their achievements.

'Coach of the Year'

There are thousands of qualified coaches working in clubs, schools and in the community up and down the country. Who goes the extra mile? Who makes a difference to you or your players, club or school? Who's your coaching hero?

This award is open to any MCoA Member coaching in a club, school or in the community in Middlesex, who has made a significant contribution to coaching during 2018. This can be for work on a coaching programme over several years, which came to fruition in 2018, or for performances such as a successful run in a competition in the county in 2018. Candidates could have been nominated for or won the award in previous years.

Guidance on award winner

- *Has made a significant impact in their club, school or community in 2018*
- *Has at least five years' coaching experience, has created and delivered effective coaching programmes and increased numbers participating in the game*
- *Been a role model to young coaches and encouraged others to get involved in coaching*

If YES, please nominate NOW and help us to say "thank you"
