

## PITCH SUPPORT NETWORK (PSN)

### Overview

An advice and guidance service from Middlesex Cricket, provided by experienced cricket ground staff:

- Chris Wilkins, Middlesex PSN Pitch Advisor (south and west)
- Dan Bradley, Regional Pitch Advisor, IOG
- Michael Long, Middlesex PSN Pitch Advisor (north and east)

### Levels of Service

1. *Email and Telephone support* (Free)
2. *Verbal Advice with Notes Site Visit* (£59)  
Discusses pitch issues, offering brief guidance and advice
3. *Formal Inspection and Short Report* (£99)  
For more significant issues or ground development advice. Visit includes an inspection and taking of core samples followed by production of an actionable short report
4. *Performance Quality Standards (PQS) assessment & full report* (£399)  
A full and all-encompassing inspection/assessment followed by a comprehensive report covering and detailing all matters pertaining to successful cricket facility management. Conducted by the IOG's Regional Pitch Advisor for London, or a fully-trained County Pitch Advisor. Full follow-up support. This level of service is normally a pre-requisite for clubs and providers aspiring to progress through the league structure, seeking grant funding for major works, or considering a facility asset transfer.

For further information and a follow-up conversation with a member of Middlesex's Pitch Support Network team, please email a PSN Expression of Interest to [ian.moore@middlesexccc.com](mailto:ian.moore@middlesexccc.com).
