

## PITCH SUPPORT NETWORK (PSN)

### Overview

An advice and guidance service provided by experienced cricket ground staff on behalf of Middlesex Cricket.

#### Levels of service

**1. Email and telephone support** (free)

**2. Informal site visit** (£50)

By an experienced groundsman to discuss your pitch issues, offering guidance & advice on-site.

**3. Formal inspection & short report** (£100)

For more significant issues or ground development advice. A visit from an experienced groundsman to conduct an inspection/assessment followed by the production of a short report including suggested actions

**4. Performance Quality Standards (PQS) assessment & full report** (£400)

A full and all-encompassing inspection/assessment followed by a comprehensive report covering and detailing all matters pertaining to successful cricket facility management. Conducted by an ECB County or IOG Regional Advisor. Full follow-up support. This level of service is normally a pre-requisite for clubs and providers aspiring to progress through the league structure, seeking grant funding for major works or considering a facility asset transfer.
