CHAIRMAN'S REPORT SPRING 2024

Dear members, in line with the need to reduce waste and lower costs, we will be mailing this edition to all those whose email addresses we have. If you are yet to notify us of your email address, please do so. Let us know where you are @. Those of you who have received an email copy of the News but would still like a hard copy, please let me know via glen.birkwood@hotmail.com or membership@seaxeclub.org.

We have also taken action on the printing and posting of membership cards i.e. we will no longer be doing so. A master membership list will be kept in our box and event venues, and on the occasion when we don't recognise you (don't take it personally), we will simply cross reference against the list.

The Seaxe Club will be taking a slightly different direction this year with regards to financial support. You will read in the Treasurers report a need to consolidate our finances. We shan't be supporting the All Stars and Dynamos cricket programmes this year, having provided bursaries to them for a number of years. I have explained the situation to them and they have thanked us for the support we have given them to date, and they fully understand the reasoning behind this decision. We will instead, be concentrating our resources more towards the Pathway, and following a request from Mark Lane, we have agreed to support a very talented young man with his transport costs to the tune of £500. We are taking this route as the end result will benefit Middlesex CCC as these youngsters develop into our first team players. After a request from Angus Fraser, we helped finance the refurbishment of Finchley Indoor Cricket School, which, contrary to rumour is definitely being utilised along with the Indoor School at Merchant Taylors. Following a

SEAXE NEWS

recent meeting with Johan de Solva, we will be looking at areas throughout the season that are mutually beneficial to the County of Middlesex and MCCC and help promote the Seaxe Club. Awareness of our activities throughout the County, will hopefully generate an interest in joining, an increase in our membership is a priority.

Our Annual AGM is scheduled for April 3rd but instead of holding it our usual venue, namely the President's Suite, we will be holding it in The Lord's Tavern from 6pm. I look forward to seeing a number of you there. We are having to make this change because MCC have decided to charge us for using the Suite, a charge we cannot, nor will not pay. It is our intention to have a Q&A session after the AGM when the floor will be yours for discussion about where you would like to see the Seaxe Club channel its energies. We are delighted to confirm that Angus Fraser and Johan de Silva have agreed to attend our AGM and discuss Middlesex in the Community. We will be going ahead with our Awards Evening in the Middlesex Room on Friday April 19th.. It will commence ½ hour after close of play (which hopefully will be a full day), when the first team will be there together with past players from Middlesex CCC. This is an important event in our calendar, rewarding and acknowledging the achievements of our up and coming talent on their way to representing MCCC at all levels, as well as rewarding members of the senior squad.

I have been asked “what happens to the Seaxe Box for county games when the Tavern stand is demolished?”, I have been assured on a number of occasions that a box will be sourced for us, most likely in the Grandstand. Again, I'll keep you posted as things develop.

Hoping to see a number of you in our box during the season, don't always leave it until the afternoon tea break. We'd be delighted to see you at any time.

SEAXE CLUB ANNUAL REVIEW 2023

TREASURER'S REPORT:

The accounts for 2023 are included in this edition of the Seaxe News. At the time of writing, they are still undergoing the independent check by John O Gorman and we are grateful to him for performing this role for the Club.

The Chair's report details the support we have provided over 2023. There were many requests for support and, as in recent years, we were keen to try and assist where possible.

Over 2023, we have recorded an excess of expenditure over income of £5,500 compared with a surplus of £1,275 in 2022. This leaves about £16,000 of reserves.

It has been the plan in recent years to reduce the Club's reserves, whilst providing enhanced support in these post-Covid times. At the first Committee meeting of 2024 we have agreed, and hope to reassure Members, that we should now enter a period of consolidation on the financial front.

Our other financial challenge is the general increase in cost of, well, everything! We have been grateful for the support from Middlesex in providing photocopying and postage for the Seaxe News but have decided to move towards sending this, and other communications, via email. We therefore urge Members who have not done so to supply a contact email address via membership@seaxeclub.org

On the positive side, the January subscription standing orders showed that a further 41 Members uplifted their payments from the old rate of £12.50 to £20. There are still 55 Members paying at the old rate but we hope, subtle nudge!, that this balance will continue to shift in coming years, or sooner!

And to finish on a high note, the committee remains grateful to Brian Cahill for his time and effort in running the Seaxe Box. The net income for tea – and cake, of course – exceeded £600 for the first time last year – well done.

SOCIAL REPORT – 2023

We enjoyed a well supported winter social on November 5th at The Clarence, a popular venue amongst our members. We combined this occasion with the year end thank you drink previously held in the Middlesex Room at the end of the season. Such has been the poor level of support for this year end event in the Middlesex Room, it was felt to be more beneficial to buy the first drink at The Clarence as a thank you for your support throughout the year.

A number of you will know that Steve Baldwin has decided after some 30 odd years, to stand down as the Social Secretary of the Seaxe Club and we thank him for his outstanding contribution. This doesn't mean winter socials, or indeed any social events will cease, far from it. You will be notified of all events as they are planned.

The Seaxe Christmas lunch was once again held in The Tavern on the 10th December. It was a well attended occasion very much enjoyed by all. We would like to thank the Middlesex CCC President Mark Ramprakash and his lovely lady Nina, for joining us on the day. The final lottery of the year was drawn and the list of winners can be found on the back page of this edition.

Please make a note of the following events scheduled for 2024:

Seaxe AGM – April 3rd – The Tavern Inn – 6pm

Seaxe Awards Night – April 19th – Middlesex Room – after close of play

Seaxe Box Reception – Sunday June 23rd – Seaxe Box in Tavern Stand

Seaxe Christmas Lunch – Sunday December 8th – The Tavern

SEAXE MJCA GIRLS U13 FINAL REPORT

The Seaxe MJCA U13 Girls League was played at Laurel Park School on Saturday mornings throughout the Autumn Term. Lots of teams entered to give their girls more opportunity to play regular year-round cricket, and sharpen up their skills. As with the U15 league, bonus points for net runs scored and wickets taken ensured that the group stages were competitive.

Finals day was held on Saturday 2nd December, with Stoke Newington and Hornsey playing one another in the first semi-final. Stokey posted an imposing total of 121, losing only two wickets in the process. Violet was the standout bowler for Hornsey, conceding only four runs in her two overs and taking two wickets. In reply, an early flurry of wickets from Stoke Newington left Hornsey chasing the game, needing 103 off their final two pairs. Those pairs batted very nicely to bring Hornsey up to a final total of 97, which was an excellent effort with a side of predominantly U12 girls playing.

Canons and Highgate met in the second semi-final, with Highgate batting first. Highgate managed to score runs consistently across all of their pairs to finish on 134. In response, accurate bowling upped the pressure on the Canons batters, who did their best to find the walls and run effectively to increase their score. Each of Highgate's last few bowlers managed to pick up some late wickets to leave Canons on 48 in response.

Stoke Newington and Highgate then met in the final, Highgate choosing to bowl first. Two wickets in the first over dented Stoke Newington's approach with the bat, though their second pair recovered to bring them up to 32. Excellent bowling and fielding saw four wickets fall in the last pair to leave Stoke Newington on 47 after their 9 overs. Stoke Newington were one of the most threatening bowling sides in the group stages, and put Highgate under early pressure with two wickets in the first pair, however Highgate's second pair batted excellently to move the score to 84. Despite five wickets and a hat-trick attempt in the final pair, Highgate finished on 81 after their 9 overs and took home the trophy.

The game was played in a fantastic spirit from both sides, and it was great to have Seaxe Club Chairman Glen Birkwood on hand to present the trophy to the winning captain, Millie. Thanks

SEAXE NEWS

once again to the Seaxe Club for their generous support of this competition over the Autumn Term, which has been well-received by all participants, parents, coaches and umpires who have been involved.

SEAXE MJCA GIRLS U15 FINAL REPORT

The Seaxe MJCA U15 Girls League was played at William Perkins on Wednesday evenings throughout the Autumn Term, courtesy of Middlesex Cricket who generously allowed us use of the space. The group stages saw lots of competitive and exciting cricket, with no side remaining unbeaten. Bonus points for net runs scored and wickets taken added an interesting dynamic, ensuring that the sides who played the best cricket progressed to the final on 8th November.

Ealing U15 took on Highgate U15 in the final; Highgate won the toss and elected to bowl. Ealing's first pair recovered really well from a tight first over (in which two wickets fell) to post 30. Accurate Highgate bowling and dot balls restricted the second pair to just 16 runs, however a late surge and some good striking in the last few overs ensured Ealing progressed to a score of 73 in their allotted 9 overs.

The contest was almost identical in the second innings, with Highgate's first pair posting 29, however excellent striking from the second pair of Lila and Zahra moved Highgate to within 6 runs of the target. The final pair of Hafeeza and Rukhsana batted sensibly and ran well to leave Highgate finishing on 96 off their allotted 9 overs and as winners of a close encounter.

The quality of cricket on show in the final was fantastic, with disciplined bowling, excellent indoor technique, fielding and teamwork on show throughout. The standard of play throughout the competition was excellent with

plenty of players engaged across multiple age groups, and it has been brilliant to give more girls an opportunity to play Indoor Cricket this Autumn, so thank you for Seaxe for their generous sponsorship of this league.

Laura De Silva

SEAXE CLUB PLAYER OF THE YEAR – 2023 SEASON

Ryan Higgins

A couple of names were put forward but it will come as no surprise that by a very clear majority the outright winner is Ryan Higgins

Seaxe Club Women's Player of the Year – 2023 season

The winner is an impressive all-rounder who over the course of the season led by example. Her performances as Captain, opening batter and bowler are testament to the hard work she has put in over the 2 winters and summers she's been with Middlesex. 12 games, 307 runs highest score of 73, average of 27.9 and 8 wickets. A deserving winner is Isabella (Issy) Routledge.

Issy Routledge

White Ball Player of the Year

Despite people telling me this was also a foregone conclusion, I received quite a number of nominations. Naturally Ryan Higgins, but also Mark Stoneman, Martin Andersson, and the eventual winner, who won by the narrowest of margins, is Max Holden.

Max Holden

Joe Cracknell

2nd XI Player of the Year

Now we come to the 2nd XI Player of the Year award:

This has been a difficult decision because so many games were affected by the bad weather, either shortened or abandoned altogether.

Nevertheless, after looking at all the performances and talking with coaches, a decision has been reached. There were a number of notable performances – Mark Stoneman with a 79 and 106; Rhodri Lewis 111; Robbie White 101 and 117; Luke

Hollman with 82 and 75; Thilan regular wicket taking, including 5 against Kent. But, it has been decided that with back to back centuries of 158 and 103 and influencing the games, the award of 2nd XI Player of the Year goes to Joe Cracknell.

Memorable Moments

In a season which didn't excite too many of you, there were really only 2 memorable moments. Namely Tim Murtagh's 1000th wicket, but there was the moment which highlighted the respect that county cricket clubs have for Murts, and showed true sportsmanship; and that was when the Warwickshire players formed a guard of honour for Tim when he came out to bat in his last match at Lord's.

Seaxe Club Disability Player of the Year – 2023 season

Umesh Valjee. Umesh is an opening batter who consistently scored runs throughout the season. His top score for the season was 81 runs off 80 balls against local rivals Essex, securing victory for Middlesex in the process.

Umesh finished the season with an unbeaten record having been injured for our only loss of the season; proving just how important he is to our line-up.
